- Heavy duty bottom cover
- Firm side rails for stability during ingress/egress
- Double reinforced handles
- Patented Linen Locks
- Airport for control unit attachment

ACCUMAX QUANTUM PC AIR-PORT

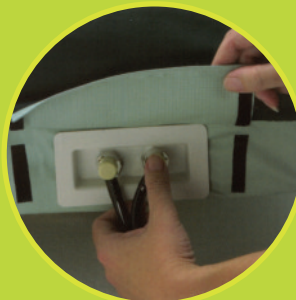

PATENTED HEEL PILLOW™

'The exclusive BG Industries' Heel Pillow significantly reduces interface pressure in the sensitive heel area. The patented multi-density and multi-layered design provides long lasting therapy that far exceeds any single layer pillow. It requires no removal or reconfiguration of parts to deliver optimal results.

*U.S. Patent 5,398,354.

THE ANATOMICAL DIFFERENCE

The AccuMax Quantum's anatomically zoned design also includes a gentle heel slope. **Heel Gradient Technology™** provides low interface pressure readings in the lower legs and heels for added protection.
